FULL TIME

CABOOLTURE SPORTS FC

20-2-6 in the regular season
Goals 66–34

1 The regular season
Every League 2 team plays every other team four times — 28 games each. The top four go into the finals; the rest are placed by where they finished on the table.

2 The finals series
1st plays 4th and 2nd plays 3rd in the semi-finals; the two winners meet in the Grand Final.

3 Everyone else
There is no 3rd-place game. A team knocked out in the semi-finals keeps the place it earned on the regular-season table — the finals only decide the champion and runner-up.

SEASON LEADERBOARD

Every club, every player — League 2's **regular season** figures (finals not included) across all 8 teams. Player figures: the 417 of 512 goals with a scorer recorded on Squadi's match centre.

HOME VS AWAY FORM

The page-1 gauge, for every club.

CUPRUN REPORT GUIDE

What do some of the tiles measure? And how is it measured?

HOME VS AWAY FORM

The page-1 gauge scores how THIS team performed at home vs away this season — points, goal difference and clean sheets combined. The Home vs Away Form tile scores EVERY club in the league the same way, strongest home lean at top.

VENUE ABBREVIATIONS

Where a venue name can't fit inside a day cell, an abbreviation is used instead. For example: Birmingham Road becomes BIRM — the Venues legend under the day list translates every shortcode to the venue's name.

WEATHER ICONS

Rainfall for each match day, from Open-Meteo's historical weather archive (a model-based estimate for the ground's location, not a station reading at the ground itself) — close, not exact. A day with no icon means the lookup couldn't be reached when this report was built, not that it rained.

Notes. Unofficial summary compiled from Football Queensland's published FQ Academy results and standings, with team names as listed there. Standings and goals tiles count regular-season games; the finals are shown separately. CupRun is independent of every club and of Football Queensland. Compiled 18 November 2026 · CupRun FQA v3.4.
