HOW THE GAMES WERE PLAYED

These are the tournament's own rules for the younger age groups, which differ from the full 11-a-side game. Each number on the pitch matches a rule.

Summarised from the match rules the organisers sent to teams, as they apply to Under 8 to Under 13. The pitch is a guide to where each rule applies, not a scale plan of the fields used.

1 GAME LENGTH

Two 15-minute halves with a 5-minute half-time.

2 GOALKEEPERS

After a save the keeper throws the ball or plays it from the ground, with no kicking it out of the hands. The ball is live as soon as it is put down. A deliberate bounce-and-volley is brought back and replayed.

3 GOAL KICKS

Opponents drop back about 5 metres from the edge of the box.

4 FREE KICKS

Direct anywhere outside the penalty area. Inside it, for things like a back pass, they are indirect.

5 OFFSIDE

Not called in open play for Under 10s; that starts at Under 13. It is called from free kicks at every age, to stop players crowding the keeper.

6 SUBSTITUTIONS

Rolling interchange once the referee has been told and agrees. Late in a game the referee can limit changes to stop time wasting.

7 THROW-INS

Good technique is encouraged, but the referee can let play run when a poor throw gains no advantage.

8 SLIDE TACKLES

Allowed at every age. Any foul play is dealt with by the referee.

HOW THE PLACINGS WORK

1 Day 1: grading

116 teams play in 29 groups of four. The 29 group winners and the three best runners-up go into Premier. Everyone else is sorted into Championship, Europa and Conference.

2 Day 2: tier groups

Each tier is drawn into new groups of four and everyone plays three more games.

3 Day 3: play-offs

Group winners play off for 1st to 8th in their tier, runners-up for 9th to 16th, third place for 17th to 24th and fourth for 25th to 32nd. Every place is decided on the field.

ALL 116 TEAMS

Each box is a final-day play-off: the winner takes the higher place.

Large number: place within the tier. **Small grey number:** place among all 116, counting the tiers in order. In Premier the two are the same. A number in brackets is the penalty shoot-out score.
