THREE DAYS, NINE GAMES

All nine games in order, with where they stood at the end of each day. Under each opponent: where that side finished out of 116.

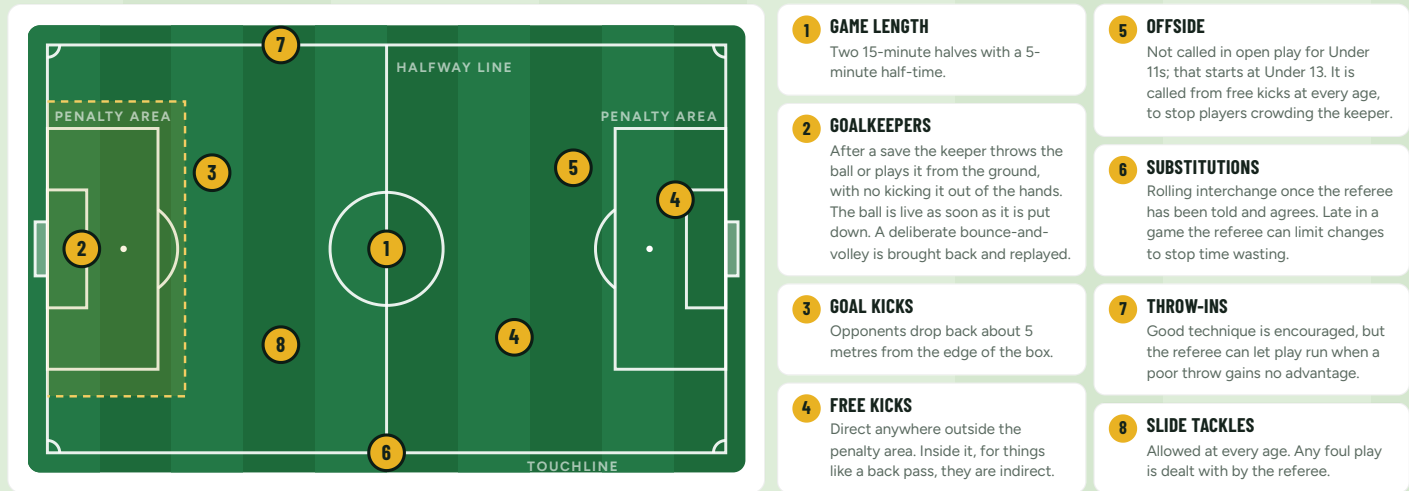

THE FINAL DAY BRACKET

The eight sides that won their Premier groups played a knockout for 1st to 8th.

HOW THE GAMES WERE PLAYED

These are the tournament's own rules for the younger age groups, which differ from the full 11-a-side game. Each number on the pitch matches a rule.

Summarised from the match rules the organisers sent to teams, as they apply to Under 8 to Under 13. The pitch is a guide to where each rule applies, not a scale plan of the fields used.

HOW THE PLACINGS WORK

- 1 Day 1: grading

124 teams play in 31 groups of four. The 31 group winners and the best runner-up go into Premier. Everyone else is sorted into Championship, Europa and Conference.

2 Day 2: tier groups

Each tier is drawn into new groups of four and everyone plays three more games.

3 Day 3: play-offs

Group winners play off for 1st to 8th in their tier, runners-up for 9th to 16th, third place for 17th to 24th and fourth for 25th to 32nd. Every place is decided on the field.

ALL 124 TEAMS

Each box is a final-day play-off: the winner takes the higher place.

Large number: place within the tier. **Small grey number:** place among all 124, counting the tiers in order. In Premier the two are the same. A number in brackets is the penalty shoot-out score.
